

# Lucky Day Red

The day we started making sweet wine was a Lucky Day. It was the day we embraced the song of our hearts – a tune of cultivating rich soils, sun-ripened fruit and real Moscato.

Lucky Day Red is a true California Moscato, made by sweet wine specialists with 50 years of experience. Our distinctive Muscat varietals thrive in the heart of California's warm and sunny San Joaquin Valley, rich with real, sun-ripened flavor and sweetness.

At 16% alcohol, Lucky Day Red Moscato offers a premium choice to wine drinkers in the higher alcohol, sweet wine category. It is a real wine, crafted with expertise and flavor that can't be duplicated in a lab. Take a sip and taste the difference.

Lucky Day Red features a bouquet of dark fruit flavors with layers of jammy notes and a warm, smooth finish. Serve it chilled while listening to your favorite beats.

Available in a 750 mL size.
